The Wisdom of Osho (Bhagwan Shree Rajneesh)

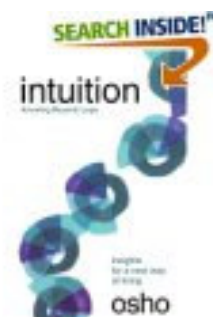

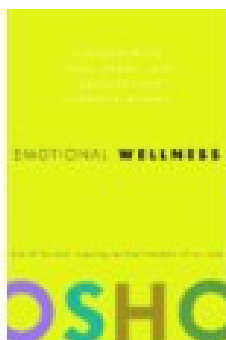

Powerful Sermon Series

Osho, also known as Bhagwan Shree Rajneesh, is the inspiring Buddhist Teacher whose works take ancient mysticism, individual self spirituality, and revolutionary new thought techniques and applies them to our contemporary lives. His teachings will help you to:

- Transform fear, anger and jealousy into productive creative energy
- Release yourself from the bondage of others' expectations of you
- Surrender your ego so you can surrender to love

During July, Senior Minister Rev. Jim Webb will offer a series of sermons based on the teachings of Osho, to provide practical uplifting ways to incorporate these teachings into your life.

Exciting Sermon Series
